

APPLICATION INFORMATION SHEET AY2018-2019, SEMESTER 1 & 2

Updated as of December 2017

Dear Prospective International Exchange Students,

The faculty, staff and students at Nanyang Technological University, Singapore (NTU) extend to you a sincere and hearty welcome to our Yunnan Garden Campus for your semester-long immersion in AY2018-2019.

We understand that choosing the right university to meet your study abroad needs, hopes and expectations can be a considerable challenge, albeit an exciting one. Catering to more than 1,800 exchange students from over 30 countries and 265 institutions in AY2017-2018, we are proud to introduce NTU as your first choice for an Asian study abroad experience.

Ranked 11th globally*, NTU places you in an academically stimulating environment that is both culturally enriching and socially fulfilling. Our comprehensive and innovative approach towards education and research will help contribute to your future success and inspire you to realise your full potential as an entrepreneurial and technology-savvy leader. The many extracurricular activities offered on and off campus will also complement your formal studies and help you build lasting friendships from the moment you set foot onto the campus. This is also the perfect 'soft landing' in the heart of a booming Asia-Pacific region and a great jumping-off point to explore the many cultures, languages and societies surrounding Singapore, which include India, China, Vietnam and Thailand.

May we invite you to join GEM Trailblazer Exchange and be part of our cosmopolitan and vibrant global community. Read on to find out how you can apply for a short immersion with Nanyang Technological University, Singapore.

Welcome to the start of a wonderful journey of learning and self-discovery!

Yours sincerely,
Pauline Ho
Deputy Director
Office of Global Education and Mobility
Nanyang Technological University

ABOUT SINGAPORE

Singapore – A Garden City

Singapore is made up of 63 surrounding islets with a total land area of more than 719 square kilometers and a total population of 5.61 million people.

Although its compact size belies its economic growth. Within a 150 years, Singapore has grown from a fishing village into a thriving centre of commerce and industry. Singapore is home to one of the busiest ports in the world with over 600 global shipping lines sharing Singapore's waters with coastal fishing vessels and wooden ships.

Over the years, Singapore has managed to diversify and strengthen its economy, becoming the economic giant of South-East Asia. Singapore is a major financial centre in Asia (with more than a 130 banks and multinational financial companies), it is the location of one of the world's major oil refining and distribution centres, it possesses a robust electronic components sector, and leads the course in shipbuilding and repairing. All facilitated through a world-class communications network which links the nation to the rest of the world.

Singapore's strategic location, excellent facilities, fascinating cultural contrasts and tourist attractions contribute to its success as a leading destination for both business and pleasure.

ABOUT NTU

NTU is world's top young university for fourth consecutive year

NTU leads the dominance of Asian and technological universities in QS' latest young universities league table

Nanyang Technological University (NTU) has topped the rankings for young universities for the fourth straight year. In Quacquarelli Symonds' (QS) latest rankings of the *world's top 50 universities under 50 years old*, NTU retained the **No. 1 spot**. The rankings shows the performance of universities focused on Science, Technology, Engineering and Math. The rankings regularly show top performance from our engineering faculty.

NTU offers courses in engineering, science, business, humanities, medicine, arts and social sciences. With the Lee Kong Chian School of Medicine being a jointly directed school between NTU and Imperial College London.

With an excellent network of top overseas universities and industry leaders, NTU's academic and research partners include Imperial College London, Rolls-Royce, BMW, Lockheed Martin and more.

The University's main campus has been named one of the *Top 15 Most Beautiful in the World*.

The NTU community comprises more than 33,000 students and over 4,000 researchers and faculty staff, all hailing from a 100 different nationalities. **A testament to Singapore's values of multiculturalism and openness.**

COURSE REGISTRATION AND ACADEMIC INFORMATION

REGISTER FOR COURSES

Course Registration

Undergraduates (UG)

You will be able to obtain information on UG course registration and view the list of your approved UG courses in the NTU Inbound Study Abroad Portal.

Exchange students will be pre-allocated a number of their approved UG courses during NTU course registration. You may still register for additional approved UG courses during the Add/Drop period in the first two week of the semester.

Please note that some UG courses are highly popular and vacancies are limited (particularly Business, Accountancy, Economics, Sociology, Sports courses). While the University will try to meet the demand where possible, exchange students should expect that not all demands can be met and be flexible in their study plan.

Graduates (PG)

You will be able to obtain information on PG course registration and view the list of your approved PG courses in the NTU Inbound Study Abroad Portal.

Approval is based on minimum of one graduate course and maximum of five courses. The approved PG courses will be reflected on the Exchange Portal. You would have the opportunity to register for additional approved courses during the Add/Drop period during the first two weeks of the semester.

Please note that some PG courses are in high demand. Approval and registration of PG courses shall be subjected to the discretion of the offering schools, availability, vacancies and pre-requisites. Students may be required to reselect courses if there is a clash in class/exam timetable.

While the University will try to meet the demand where possible, exchange students should expect that not all demand can be met due to vacancy limitations. The approved PG courses will be registered on your behalf after matriculation and a notification email will be sent to your NTU email address.
